M Public Floorstand Basic 180 incl shelf & camera holder

Multibrackets M Public Floorstand Basic 180 - Stand for video conferencing system - black - screen size: 55" - 80"

The Multibrackets Floorstand Basic TV Trolley, is a mobile TV-Stand capable of supporting any LCD, LED, or Interactive -display up to a screen size 80", 90kg in weight and up to 800 x 500mm VESA.

Quick and easy to install, combining neat design touches with robust quality, this superb value TV Trolley will give a lifetime of enjoyable and reliable performance.

Perfect for use in education; classrooms, lecture theatres, or in commercial environments, Floorstand Basic features a large and stable base with four robust wheels. You can now move your valuable display safely and easily from room to room with smooth passage through doorways and over thresholds.

Easy screen height- adjustment, and mobility mean that an optimal viewing position can always be achieved for any presentation, digital -signage or video-conference situation. The heavy -duty wheels feature a safety-brake, ensuring the Stand cannot roll out of position, whilst the Integrated cable- management system ensures a tidy and professional look.

Accessories include an AV shelf, suitable for a DVD, laptop etc. or a camera shelf for the complete Video Conferencing solution.
